EDITORIAL

A store owner was tacking a sign above his door that read "Puppies For Sale."

Signs like that have a way of attracting children, and sure enough, a little boy appeared under the store owner's sign. "How much are you going to sell the puppies for?" he asked.

The store owner replied, "Anywhere from \$30 to \$50." The little boy reached in his pocket and pulled out some change. "I have \$10," he said. "Can I please look at them?"

The store owner smiled and whistled and out of the kennel came Lady, who ran down the aisle of his store followed by five teeny, tiny balls of fur. One puppy was lagging considerably behind. Immediately the little boy singled out the lagging, limping puppy and said, "What's wrong with that little dog?"

The store owner explained that the veterinarian had examined the little puppy and had discovered it didn't have a hip socket. It would always limp. It would always be lame.

The little boy became excited. "That is the puppy that I want to buy." The store owner said, "No, you don't want to buy that little puppy. If you really want him, I'll just give him to you."

The little boy got quite upset. He looked straight into the store owner's eyes, pointing his finger, and said, "I don't want you to give him to me. That little puppy is worth every bit as much as all the other puppies and I'll pay full price. In fact, I'll give you \$10 now and the balance later."

The store owner countered, "You really don't want to buy this little puppy. He is never going to be able to run and jump and play with you like the other puppies." To his surprise, the little boy reached down and rolled up his pants to reveal a badly twisted, crippled left leg supported by a big metal brace. He looked up at the store owner and softly replied, "Well, I don't run so well myself, and the little puppy will need someone who understands!"

We ALL need someone who UNDERSTANDS!
To the polio victims, the orphans, the mentally and physically challenged, they need loving and compassionate Rotarians who UNDERSTANDS!

*Warmest Regards.

PRESIDENT'S MESSAGE

"The truth is that as soon as we are no longer obliged to earn our living, we no longer know what to do with our life and recklessly squander it."

André Gide, Journals, 1889-1949

In the first week of the Vocational Service month, I'd like to share with you the emphasis we have placed on this. Vocational Service has always been on the pillar of Rotary; charity begins at home, if we do not have time for our children why talk about visiting orphanages?

For the month of October, we will be launching the Four Way Test awareness program, wherein one of our Board of Directors Sandy Soh will print the "Four Way Test" and have them affixed to the fruit juice her company produce. We will also be giving away these fruit juices to some orphanages.

Next in the pipe line we have planned an Employers and Employees night to honour those who has worked so hard so that we can earn our keeps. Without the employees, we are just headless chicken running around in circles.

Finally we will also honour the souls who truly believe in the maxim "Service Above Self", these kind people dedicated much of their time to help those in dire straits, in the later part of October.

Please join us in the various activities lined up for you.

YOUTH SERVICE

I-QUIZ 2013

Dear friends,

Congratulations to RC Bandar Sunway on the successful conclusion to yet another edition of the Interact Quiz competition. This competition seems to be getting better each year and with the participation from District 3310, it has become a truly Malaysian competition.

It is good to hear that the preliminary rounds of the competition may also be held in Penang and Ipoh next year and is keenly anticipated.

RC Bandar Sunway has truly made this Youth Service month a memorable one. Besides the Quiz competition, you have chartered an Interact club and a Rotaract club over the last few weeks. These are no easy achievements for any club and congrats to President Datin Sandra and the inspiring and hardworking Rotarians from RC Bandar Sunway on your great achievements.

Rotary Youth Leadership Awards or RYLA as it is popularly known began as an idea in Australia in 1959. There was a group of young people from the state of Queensland, Australia who were selected to meet up with Princess Alexandra, a young cousin of Queen Elizabeth. The Rotarians of Brisbane, who hosted these participants were impressed with their quality of these young people and it was decided to bring youth leaders together each year for a week of social, cultural and educational activities. The RYLA program gradually grew throughout all the Rotary Districts in Australia and New Zealand. In 1971, the RI Board officially adopted RYLA as an official program of Rotary International.

Every year, thousands of young adults from the age of 18-30 attend these seminars in almost all the 500 odd Rotary districts throughout the world. They spend a week together in a challenging program of leadership training, discussions, inspirational addresses and social activities which are designed to enhance personal development, leadership skills and good citizenship.

RYLA is generally conducted as a District activity though there are times when it is held as an Inter-district or as a multi-district event. This is yet another meaningful program of RI in the service of Youth.

EVERY ROTARIAN AN EXAMPLE TO YOUTH

PP Baskaran

Dear Rotarians,

I'm pleased to announce that the Rotary Club of Bandar Sungai Petani will be organising the Rotary Youth Leadership Awards (RYLA) 2013 Training Programme for the Rotary Year 2013/14 from 18 December 2013 (Wednesday) to 22 December 2013 (Sunday) at AIMST University, Sungai Petani, Kedah. It is open to youths between the ages of 18 to 30 and the registration fee is RM400.00 per person for early bird registration before 31 October 2013 and RM500.00 after that. It would be best to register early to enable the Organising Committee to make all necessary preparations.

There will be a lot of good speakers led by our very own PP Siva Ananthan from the RC of Greater Kuala Lumpur and PP Sarjit Singh from the RC of Alor Setar. I can also confirm that Professor Dr. Suresh Govind from University Malaya, who enthralled us all at the last District Conference, will be a speaker at RYLA 2013.

In addition, there will be various team building activities including special Zumba and Akido sessions to keep all participants fully occupied throughout the 5 days and 4 nights.

Further updates on speakers and activities will be provided from time to time once I receive confirmation from the Organising Committee.

So please do get your Interactors, Rotaractors and other interested persons and register them for RYLA 2013 immediately. The registration form is downloadable from your Club's website.

BUMPER STICKERS FOR THE RETIRED

THOTS FOR THE WEEK

A DEA officer stopped at a ranch in Texas , and talked with an old rancher. He told the rancher, "I need to inspect your ranch for illegally grown drugs."

The rancher said, "Okay, but don't go in that field over there.....", as he pointed out a distant location.

The DEA officer verbally exploded, saying, " Mister, I have the authority of the Federal Government with me!" Reaching into his rear pants pocket, he removed his badge and proudly displayed it to the rancher.

"See this badge?! This badge means I am allowed to go wherever I wish.... on ANY land!! No questions asked or answers given!! Have I made myself clear.....do you understand?"

The rancher nodded politely, apologized, and went about his chores.

A short time later, the old rancher heard loud screams, looked up and saw the DEA officer running for his life, being chased by the rancher's enormous Santa Gertrudis bull.....

With every step the bull was gaining ground on the officer, and it seemed likely that the officer would be gruesomely gored before he reached safety. The man was clearly terrified.

The rancher threw down his tools, ran to the fence and yelled at the top of his lungs.....!!

(I just love this part....)

"Your badge..... show him your *BADGE!!*"

MAMA'S LOVE

Four brothers left home for college, and they became successful doctors and lawyers.

One evening, they chatted after having dinner together.

They discussed the 95th birthday gifts they were able to give their elderly mother who moved to Florida.

The first said, "You know I had a big house built for Mama."

The second said, "And I had a large theater built in the house."

The third said, "And I had my Mercedes dealer deliver an SL600 to her."

The fourth said, "You know how Mama loved reading the Bible and you know she can't read anymore because she can't see very well. I met this preacher who told me about a parrot who could recite the entire Bible. It took ten preachers almost 8 years to teach him. I had to pledge to contribute \$50,000 a year for five years to the church, but it was worth it. Mama only has to name the chapter and verse, and the parrot will recite it."

The other brothers were impressed. After the celebration Mama sent out her "Thank You" notes.

She wrote: Milton , the house you built is so huge that I live in only one room, but I have to clean the whole house. Thanks anyway."

"Marvin, I am too old to travel. I stay home; I have my groceries delivered, so I never use the Mercedes. The thought was good. Thanks."

"Michael, you gave me an expensive theater with Dolby sound and it can hold 50 people, but all of my friends are dead, I've lost my hearing, and I'm nearly blind. I'll never use it. Thank you for the gesture just the same."

"Dearest Melvin, you were the only son to have the good sense to give a little thought to your gift. The chicken was delicious Thank you so much."

Love, Mama

WRONG CHOICE OF WORD

A man walks into the doctor's office and says: "Doctor, my name is Mark, and I'd like to be castrated."

"What? Are you sure about this? Why?" asks the doctor, amazed.

"It's something I've been considering a long time and I'd like to have it done" replies Mark.

"But have you thought it through? REALLY through?" asks the concerned doctor, "It's a very serious operation and once it's done, there's no going back. It will change your life forever!"

"I'm aware of that and you're not going to change my mind, so please book me in to be castrated or I'll simply use another doctor."

"Well, OK.", says the doctor, "But I'll have you know that it's against my better judgment!"

So Mark has his operation, and the next day he is up and walking very slowly, legs apart, down the hospital corridor with his drip stand. Heading towards him is another patient, who is walking exactly the same way.

"Hi there," says Mark, "It looks as if you've just had the same operation as me."

"Yes, it seems like" said the patient, "as for me, I finally decided after 37 years of life that it was time for me to be circumcised."

Mark stared at him in horror and screamed, "**Dammit, THAT was the word!!!**"
