I am aware that this is not a conventional way to establish a relationship of trust, and I apologize for this unsolicited mail to you but, as you read you will realize the need for my action.

My name is Mrs. Sxxxxxxx Hxxxxxxx, I am suffering from a cancerous ailment. When my late husband was alive he deposited the sum of \$10.8 Million Dollars which were derived from his vast estates and investment in capital market with his bank here in Ireland.

I have decided to donate this fund to you and want you to use this gift which comes from my husband's effort, to fund the up keep of the less privileged and persons who prove to be genuinely handicapped financially. As a reward for the effort you will be putting into this, 30% of the funds would be given to you as compensation.

Please contact me on this email, (.....@yahoo.com) for further information.

Sincerely,
Mrs. S. Hxxxxx
