

FOREWORD

The Right Honourable Tan Sri Arifin Zakaria, Chief Judge Malaya

I first came to know Dato' Vincent Ng when I was serving as State Legal Adviser of Perak in 1985-1990. He was then a prominent member of the Perak Bar.

I had the privilege of serving together with him in the High Court at Alor Star, Kedah. This gave me the opportunity to share our views on matters that came up for our determination.

He impressed me as highly knowledgeable and able to analyse complex legal issues with great ease and depth. This is evident in the many learned judgments that are reported in the law journals. His judgments are often cited in courts and I am sure they will continue to be cited in the years to come. As a judge, he has no doubt left behind an indelible mark.

I am proud to be associated with Dato' Vincent on and off the Bench and I must say that he has found a special place in my heart.

This book is a fitting tribute to the learned judge who has contributed in no small measure to our jurisprudence. It will provide easy access to students as well as legal practitioners to some of his judgments.
