

FOREWORD

*The Right Honourable Tan Sri Datuk Seri Panglima
Richard Malanjum, Chief Judge High Court Sabah &
Sarawak*

It is my pleasure to have been invited to pen a short foreword for this book.

I have known Mr. Justice Dato' Vincent Ng Kim Khoay when he was first appointed as a Judicial Commissioner, High Court Malaya. It must have been a tough decision for him to make transiting from private practice to the Bench as I did.

However, his elevation was the nation's gain. The publication of this book is therefore laudable. The illuminating judgments of his Lordship will surely benefit the future generations of Malaysia.

And I would say that some of the important judgments of his Lordship reflect his true and personal belief on what is justice. I subscribe to his views.

I therefore congratulate the editor for taking the time to come up with this book.

I wish it every success.
