Last week was an emotional one for the editor who had to miss DG Kok Beng's visit due to the unfortunate demise of two relatives, a sister-in-law and an uncle. Attending the two funerals in two consecutive days took an emotional toll. Their sudden passing brings to mind one very meaningful email message that the editor had received recently which states that one should *"live with laughter and love with all the heart ...tomorrow may be too late"*. PP VG Chandran quoted Leo Buscaglia who said *"...we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love."* It is so true that often it is the aggregate of little kindnesses and love and understanding that gives one most happiness, so simple and yet so often one overlooks in the course of our pursuit of living our busy lives today. We were comforted by the fact that we showed our love and affection when our late relatives were still living.

The editor will be away for 3 weeks commencing 10th April and he is grateful that PP Phang will be there to helm the bulletin. In the past year PP Richard Liew without much fuss took over the job when the editor was away on no less than two occasions. It makes the editor less guilty whenever he is away. They are both experienced past bulletin editors and it is to be expected that they will give of their best as usual. And for the record, next year's bulletin editor will again be PP Richard Liew and he will be doing it by then for the 10th time!

Congratulations to PP Gary Lim our indefatigable past president who in the editor's memory had never consciously stayed away from any event or project organized by the club and in any capacity. He deserves the award of **Club Builder** from the district, another fine feather in his cap. Next Rotary year he will be one of the Assistant Governors for District 3300. No doubt he will bring with him his boundless energy and enthusiasm at the district level and no doubt he will still then try to attend as many of our club meetings and functions as he possibly can. If PDG Paul Lee, who is so very active with the district and at the international level, can stay closely in touch with his home club surely a younger PP Gary *"boleh"*!

The Steady Heavyweights

Honorary Secretary Lawrance Annie

During a District dinner function back in 2008, Lawrance shook my hands in agreement to take on the honorary secretary position when I take office in RY2010/2011.

Lawrance, in my view you are the Best Honorary Secretary any club president can ever hope for. Every Monday before the luncheon meetings, you would without fail, brief me on the order of meeting for the day including names of respective Rotarians on duty. You always ensured that the meeting venue and food are properly prepared and quite often, you also doubled up as the Sergeant- at-Arms or the Introducer.

A boss and a leader in your own right, you are also a great team player who never bring attention to yourself but always work for the greater good of the team and the club. Lawrance, thank you for being a most stable and reliable associate to me.

Vice President CT Heng

VP Heng, a good friend, my lighting supplier, my fresh prawn and fish supplier, my pau supplier, a great outing organizer and of course, our club's Vice President for RY2010/2011.

First of all, thank you for successfully raising RM130,000 for financing our community projects for this Rotary Year. Secondly, thank you for standing in to chair the various weekly meetings when I was overseas.

VP Heng, thank you most of all for always being there to share my burden and to lend a hand whenever I am in need of help.

In Rotary Service,
President RY 2010/2011

Acting Sgt-at-Arms PP KU Rajah called the meeting to order at 1:10 pm and proceeded to introduce the visiting Rotarians and Guests. He then led in the singing of the National Anthem and proposed the loyal toast.

Finemaster was our evergreen PP Gary Lim who first of all welcomed the DG and asked Pudu Rotarians to all contribute RM1 to welcome him. The DG Kok Beng himself was not spared and had to pay a ringgit as well. According to Gary, Rtn Ashok Kumar looked a bit different and had to pay a ringgit for that. Those not wearing name tags had to pay a penalty too. He then praised Rtn Lawrance Annies for being consistent in bringing his guest to the club meetings but poor Annies had to pay for this praise. PP KU was not spared either as Gary described him as being everywhere in Rotary. Those who did not attend last evening's club assembly and fellowship were each asked to pay RM1 and included in this group were Rtn Mok Sin and IPP Robin Tay. Those whose faces appeared in the bulletin were asked to pay RM1 and those not in had to pay as well. Celebrating their anniversary were Rtn Jeff Yap and Ann Catherine and Jeffrey gladly paid RM5 for the honour. Last but not least was PP YK Chew who walked in late and was relieved of a ringgit by Gary.

The Speaker

The speaker was none other than the visiting DG Kok Beng and he was to deliver his official speech. He was introduced by PP Sim Bee. The DG started his Rotary career in 1992 in the RC Gombak he being introduced by IPDG Leslie Sallehuddin. He joined the RC Pudu in 2006. By profession he is a Chartered Accountant although he had earlier obtained a law degree. He qualified as an ACA of the Institute of Chartered Accountants in England and Wales in 1971 and had working experience in London, Singapore, the US and Malaysia. Besides Rotary he is also a member of Malaysian Nature Society and the Royal Selangor Flying Club. Besides the many positions he has held in Rotary, he was also a GSE Team Leader to D3260 India in RY2003-04 and a Major Donor + and a Jamil Rais Fellow. He is a holder of the Four Avenues of Service Award and the District Foundation Award.

The Talk

The DG then gave his official address and in starting his talk he disclosed that he was happy to be back at

the club. Coming to the club culminated his visiting rounds to the clubs in the district in his duty as DG. He enthused that he had good fellowship last night with members and he enjoyed meeting the Interactors and Rotaractors in the afternoon. He had wanted to attend our ILTMC but could not as he was away in Sitiawan helping the RC Sitiawan to celebrate their anniversary. He praised Rtn Jeffrey Yap for caring so much about the youth.

Our Club had completed some significant projects this year, chief among them our green project. We had promoted the green concept and he said it was in tandem with the world's trend. For this he thanked PP Chow Tain for spearheading it. He also thanked PP KH Low for chairing the District Conference which he described as very successful and enjoyable. He had much pride in this as we were the Governor's club. Those who helped to organized it, which practically involved the whole club, were singled out viz PP Sim Bee, PP Sam and President Choy Ying.

President Choy Ying came in for some praise from the DG as in his opinion she helmed the club admirably despite having to play three roles eg. Home, Work and Rotary. She had done an excellent job as president and had carried out many projects which were well thought of and efficient. At the zenith the way to go was down and in order to maintain or go further up, one must make more effort. In this case he had no doubt that Pudu could do that.

Rotary has been the most successful NGO in the world and the way forward still was to make changes. Rotary was successful because it could make changes although he exhorted that the virtue of fellowship and the ability to carry out meaningful projects relevant to the community also contributed. He then encouraged members to continue to inject goodwill, humour and tolerance whenever they meet and when they lead their everyday lives.

The DG then announced that PP Gary Lim had won the RI Club Builder Award and presented Gary with the certificate. Gary had won this award as he met all the criteria set by RI and nominated by the selection committee comprising PDG Dr Paul Lee, PDG Dato Mohd Ariff Shaffie and PDG Dr RT Arasu. Amongst the many criteria were that the criteria of being of good standing for at least 10 years, served as president, and had the achievement of recruiting at least 5 members, participated in Rotary training and participated in one meaningful club level vocational service project.

Thanking of Guest Speaker

Thanking DG Kok Beng for visiting the club and giving a meaningful speech was PDG Dr Paul Lee who also presented him with a memento.

PUDU welcomed our D.G. Kok Beng warmly on 27th & 28th March. It was also an opportunity to recognize PP Gary Lim as a “CLUB BUILDER”. Photos in the following pages are record of the attendance on both days, i.e. the CLUB ASSEMBLY on 27th & our CLUB MEET on the 28th March.

ASSEMBLY & CLUB VISIT BY DG KOK BENG

CLUB ASSEMBLY ON SUNDAY 27TH MARCH 2011 @ HOTEL SENTRAL PUDU AT 7:00 pm

Pudu Rotarians & their Anns and our Guest of Honour DG Lim Kok Beng were all on time at the Hotel Sentral Pudu Coffee House at 7:00 pm. President Choy Ying and most the members of the BOD were on hand to receive the DG. Early in the afternoon they had already met to have lunch and had hi-tea with the Interactors and Rotaractors.

Our important guests including PDG Dato Dr Low Teong, PDG David Ho, PDG Joe Rajendra, PDG Leslie Salehuddin, President Ric Loh (Bukit Bintang), AG Karthi Palanisamy, DGTN1 Mansoor Saat and DGE Dr Raveendra Kumar were also there to bring glamour to the gathering.

At about 7:30 pm the 3rd Club Assembly was called to order by the Sgt-at-Arms and the President officially welcome the DG. Thereupon the DG gave a brief speech and the Assembly started with the respective directors giving their reports. Last but not least to give his report was Rtn Jeffrey Yap who reported for New Generations. 28 Pudu Rotarians were present and many of them brought their Anns.

Fellowship followed and everyone dug into the good spread. Ann Dato Esther was very jovial despite her handicap after a recent operation, as was PP Dato Hoo Teong. There was a presentation of the new Rotary song "We are the Rotarians" and many joined in the singing. President Ric had donated 2,000 CD/VCD copies to the district and some were given to our club.

A number of Rotarians also went into Karaoke singing and you could imagine that the scene was boisterous. It was a happy evening in a new surrounding. At the end the PDGs had a round table and continue their exchange of views, most likely regarding things Rotary.

Service Project:- Wheelchair for Poor Patient (report by Service Director Tan Peng Huat)

SUCCESSFULLY Launched on Monday 21st March 2011. Time 12.45 at Shangri-La Hotel, By Y.B. Dato' Seri Ong Tee Keat, Words of Appreciation and Gratitude for Your Efforts.

PP Sim Bee initiated the project, got us the sponsors and also coordinated with the district wheelchair foundation people. PP Sim Bee I like to thank you from

the bottom of my heart for your efforts. A humble and low profile man believe in few words and working quietly behind the scene. However our beautiful President managed to coax him to stand in front of the camera and got him to appear in our newspapers..

(Refer to China Press and Sin Chew Press date 22-03-2011. Also the Malay Mail.)

President Choy Ying who was about to relax a bit after we completed the 2nd Visit to Jenjarom in the 3rd week of January 2011. I thought I gave her a fright when I sms her that myself and PP Sim Bee was embarking on another new project. Nevertheless our President Choy Ying stayed very cool and supported us all the way to the finishing line. 'Ribuan Terima Kasih' President Choy Ying for your fantastic leadership and also for preparing the GOH invitation letter and others.

PP Albert Lim can be seen giving encouragement and advice especially regarding publicity matter and GOH. Not only that, I found out PP Albert Lim can also be a handyman. He help to unscrew the wheelchairs' back-rest support-screws manually and took them back for the Silk Screen Work (labeling). I only managed to take out 2 screws. PP Albert Lim I salute you. Your commitment has been unquestionable. No matter how challenging the task is you are there to complete, rain or shine. 'Kam Sia Lu' and "Say Say Ni"

PP KH Low (organizing chairman for the 76th District conference) was a man who is ever-ready to help. Our project launching was coming very close and I called him one evening to ask for assistance and he instantly told me no problem, he can 'Kow Tim' for me. PP KH Low thank you very much. You have got very good comradeship spirits.

PP KU Rajah helped out as the Sargeant-At-Arms. PP KU Rajah likes to do matching grant project and has good command of English. He is such a helpful Rotarian and is always ready to serve selflessly. PP KU Rajah thanks a lot and 'Nandri'

Secretary Lawrance Annies, I appreciate his planning, organizing skill. He is also an IT expert and knows the internet function by the back of his hand. Thank you so much Secretary Lawrance Annies for arranging the additional food and tables for our guests, members of the press and media, and GOH. Also you co-ordinated the launching programme very well, perfectly done. Kudos Secretary Lawrance Annies good work and thanks a lot again.

(吉隆坡21日讯)配合“轮椅赠贫苦者”计划,富都扶轮社捐出20张轮椅给安邦医院,减轻病患负担。

这个计划主要目的提高社会对地中海贫血症及血液病的觉醒,并透过捐赠轮椅的政策,减轻病患或家属的负担。

这项活动是由富都扶轮社前主席黄森美致力推动,前者致力于筹款,在没有动用富都扶轮社年度经费的情况下,成功完成计划。

出席移交轮椅仪式包括班丹区国会议员拿督斯里翁诗杰,富都扶轮社主席梁彩英、安邦医院药剂部主任鲁斯林、大会主席陈炳发。

大会也邀请医生到场分享地中海贫血病的由来及治疗方法,

富都扶輪社捐20輪椅
關懷安邦醫院病患

让与会者更了解该病症,尽早预防。翁诗杰也吁请公众定时做身体检查,并在孕育下一代之前,必须做好事前检查,

以免地中海贫血病出现在下一代。

他说,目前许多人对地中海贫血病不甚了解,政府也没有规定必须婚前检验。

“我们有责任教导公众其重要性。”他强调,相关的社会责任活动也不能够停止,社会需要更多相关组织伸出援手。

運送用品到日本

他指出,由于安邦医院坐落在班丹选区,本身曾多次探访,并捐赠地中海贫血病患所需物品。

翁诗杰也是国际佛光会世界总会副总会长。他指出,该会已于本月20日,透过亚航运送7吨的食物、衣物到日本救灾。

他说,以目前的情况,食物及衣服是日本灾黎最为需要物品。

KUALA LUMPUR: The Rotary Club of Pudu has donated 20 wheelchairs to the Ampang Hospital under the Club's Wheelchair for Poor Patients project.

The project was officially launched by Member of Parliament for Pasir, Datuk Seri Ong Tee Keat, at the Shangri-La Hotel Kuala Lumpur recently.

Initiated by Rotary Club of Pudu past president Ng Sim Bee, who noticed the shortage of wheelchairs in the hospital, the project was aimed at easing the burden of the hospital's poor patients with mobility problems brought on by illness or an accident.

Ampang Hospital, like many government

hospitals, has set up a department of Medical Social Works to assist poor patients who are without families or means of paying the most basic of medical care.

This department is entrusted to assign the donated wheelchairs to the respective poor and needy patients who require them.

In conjunction with the presentation, there was also a talk on thalassemia by Dr Jameela Saibari, a consultant haematologist at Ampang Hospital.

Ong urged Malaysians to do more to help tsunami. Citing the recent Japanese quake and tsunami disaster, Ong said:

"We should find out what their needs are so that we can help better".

Ong presented the wheelchair donation to Dr Rosli Mohamed Salleh, the deputy director (Medical) of Ampang Hospital.

UPDATE OF DIALYSIS CENTRE IN AMPANG

The Dialysis Centre site has finally been agreed upon by all parties and it's located at 25, Lorong Bunguh Melati 2A, Taman Maju Jaya, 56100 Kuala Lumpur. This is the 3rd site we have visited, the previous two were in Pandan Indah, a short distance away. The previous locations were in a very busy neighborhood with parking problems, rental was high. Present site selected is less busy with ample parking, quite near to a MRT station and bus stops. Rental is affordable and taken care of by a foundation.

The shop lot, 22' x 90', is quite spacious but needs considerable renovation to become a Dialysis Centre. This, St John Ambulance is responsible.

PRC has the unenviable task of raising RM500,000 for 10 dialysis machines and one or two (money permitting) reprocessing machines. After every treatment, the dialysis machine needs to be cleansed and thoroughly washed, thus the reprocessing machines. Each machine costs RM45,000 (both types).

Like the previous 4 centres PRC helped to set up (Klang, Shah Alam, Rawang, Raub) support from generous donors have been most encouraging. Many pledges have been given and we will be actively collecting the pledges from now on. Collection up to date is RM200,000. Of course we are still short. Any donation will be welcome with heartfelt thanks. We will do another article on the generous contributions nearer the launch.

Launch date is tentatively planned for 18 June, 2011 Saturday at 11am. Please keep this date open.

ON ROTARY LEADERSHIP..... OUR EXPECTATIONS

“LEADERSHIP BY EXAMPLE”..... YES! This, we have often heard and we keep stressing itto our Rotarians , Rotaractors and Interactors.

We must acknowledge the fact that Rotarians are ALL leaders in their own respective individual lives.

BUT, WHAT IS THE KIND OF LEADERSHIP STYLE IS BEST SUITED TO ROTARIANS AND ROTARY LEADERS. I would like our Pudu Rotarians to read the following, then think and please comment.

“LEADERSHIP IS ACTION-NOT WORDS” We MUST also remember that to translate “ intention into reality and to act on your intention comes from commitment-a characteristic common to all individuals who are recognized as leaders.

Commitment consists of a set of positive beliefs coupled with an equally appropriate set of positive action and behavior. Without this action and behavior, there is no commitment-merely good intentions. Effective leaders not only say they want to do the “right” thing; they follow through with appropriate actions-they “walk the way they talk.”

Leadership, then, is the act of setting the right example, serving as a role model, having actions that speak louder than words, standing up for what you think is the “right” thing, showing the way, holding to the purpose and espousing the positive beliefs.

The following is adapted from website:

<http://www.brighthub.com/office/home/articles/76450.aspx>

“FAMOUS EXAMPLES OF DIFFERENT LEADERSHIP STYLES” By Kristina AND, WHERE DO YOU BELONG AS A LEADER ? ARE YOU A....

CHARISMATIC LEADERSHIP

Charismatic Leadership is one of the modern leadership styles in the changing world. In this kind of leadership, the leader uses charm to get the admiration of their followers. They show concern for their people and they look after their people's needs. They create a comfortable and friendly atmosphere for their followers by listening to them and making them feel that they have a voice in the decision making. Famous examples of charismatic leaders are Winston Churchill, Bill Clinton, Mother Teresa and Adolph Hitler.

PARTICIPATIVE LEADERSHIP

This kind of leadership is usually seen in corporate settings. Leaders act more like facilitators rather than dictators. They facilitate the ideas and the

sharing of information with the end goal of arriving at a decision. The final decision ultimately rests on the leader but all considerations and factors of a decision come from the collective mind of the group under this leadership. A famous example of a participative leader is Donald Trump

SITUATIONAL LEADERSHIP

In situational leadership, three factors affect the leader's decisions: the situation, the capability of the followers and the capability of the leader.

The leader adjusts to whatever limitation is laid out in front of him by his subordinates and the situation itself. Adaptability is key here. The leaders need to be as dynamic as the different situations they are faced with. A famous example of this leadership style is Dwight Eisenhower.

TRANSFORMATIONAL LEADERSHIP

Transformational leaders lead by motivating by their followers. Leaders appeal to their followers' ideals and morals to motivate them in accomplishing their tasks. Basically, these kinds of leaders empower their followers using their own beliefs and personal strengths. Simply put, they inspire their followers. Famous transformational leaders include Martin Luther King Jr. and Walt Disney.

THE QUIET LEADER

The quiet leader leads by example. They do not tell people what to do. They do not force people to do things that they are not willing to do. They do not give loud speeches, sweeping statements and clear cut orders. They do what needs to be done, inspiring their followers to do the same. Famous examples of the Quiet Leader are Rosa Parks, King George VI, Abraham Lincoln and Woodrow Wilson.

SERVANT LEADERSHIP

In servant leadership, the leader takes care of the needs of his followers first before they take care of their own. Instead of acting like a king to their subordinates, leaders act as servants. The leader feels that they need to serve their followers rather than force upon them what they want. Famous examples of servant leaders include George Washington, Gandhi and Cesar Chavez.
